DEDICATION

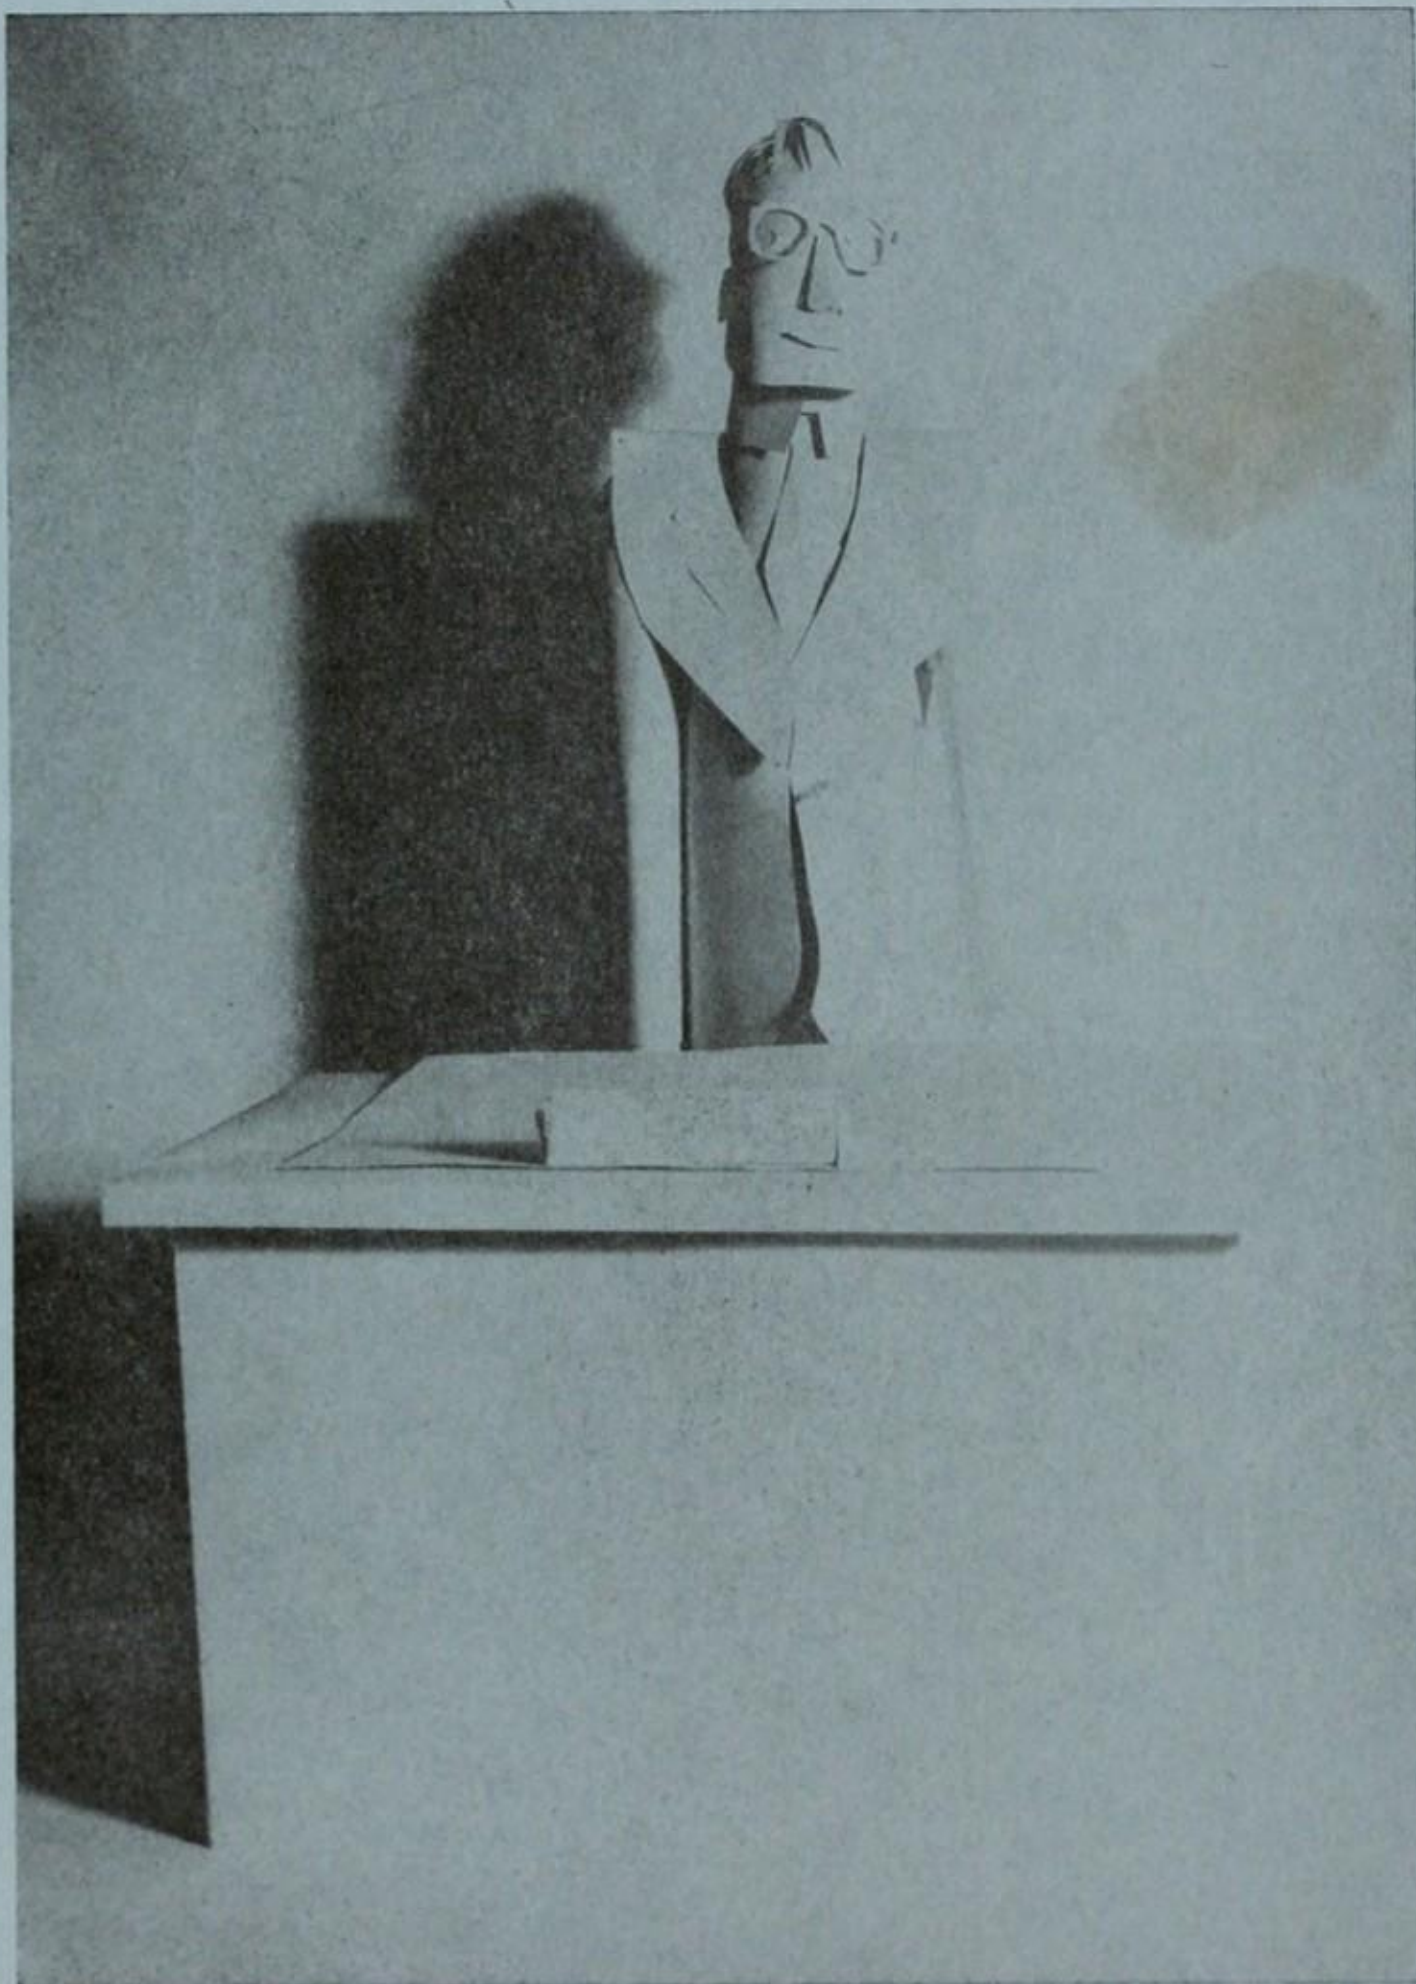

"These are the times that try men's souls. The summer soldier and the sunshine patriot will in this crisis shrink from the service of his country; but he that stands it now, deserves the love and thanks of man and woman."

Thomas Paine

America and the American way of life are once more in jeopardy. Once more America must ask her citizens to come to their country's defense. As has been true in the past, Jordan is again contributing her full share. To all Jordan faculty, alumni, and student body members now serving in the armed forces, this book is gratefully dedicated.

It has been a real pleasure

The student council is Jordan's parliament or legislature. It is the organization in which student opinion can make itself felt and where many a third period representative lets off steam on student body affairs. This year the student council has been lead by the student body presidents, Rusty Fairly and Alvin Brown, and has initiated policy in several major spheres of student co-curricular activity. The council meets each Tuesday third period in

room 23 and is made up of two elected representatives from each third period class, who come to alternate meetings. Each semester the council relaxes after its strenuous half year legislative session with a party planned by the student body hostess. It was generally agreed that this year's student council was a busy, hard-working body with a nice interchange of rank and file student body opinion.

STUDENT COURT

The Student Court of Jordan High School is an important segment of the student government. Its purpose is to try offenders who violate school rules and regulations in an attempt to promote responsibilities and self-control on the part of the students.

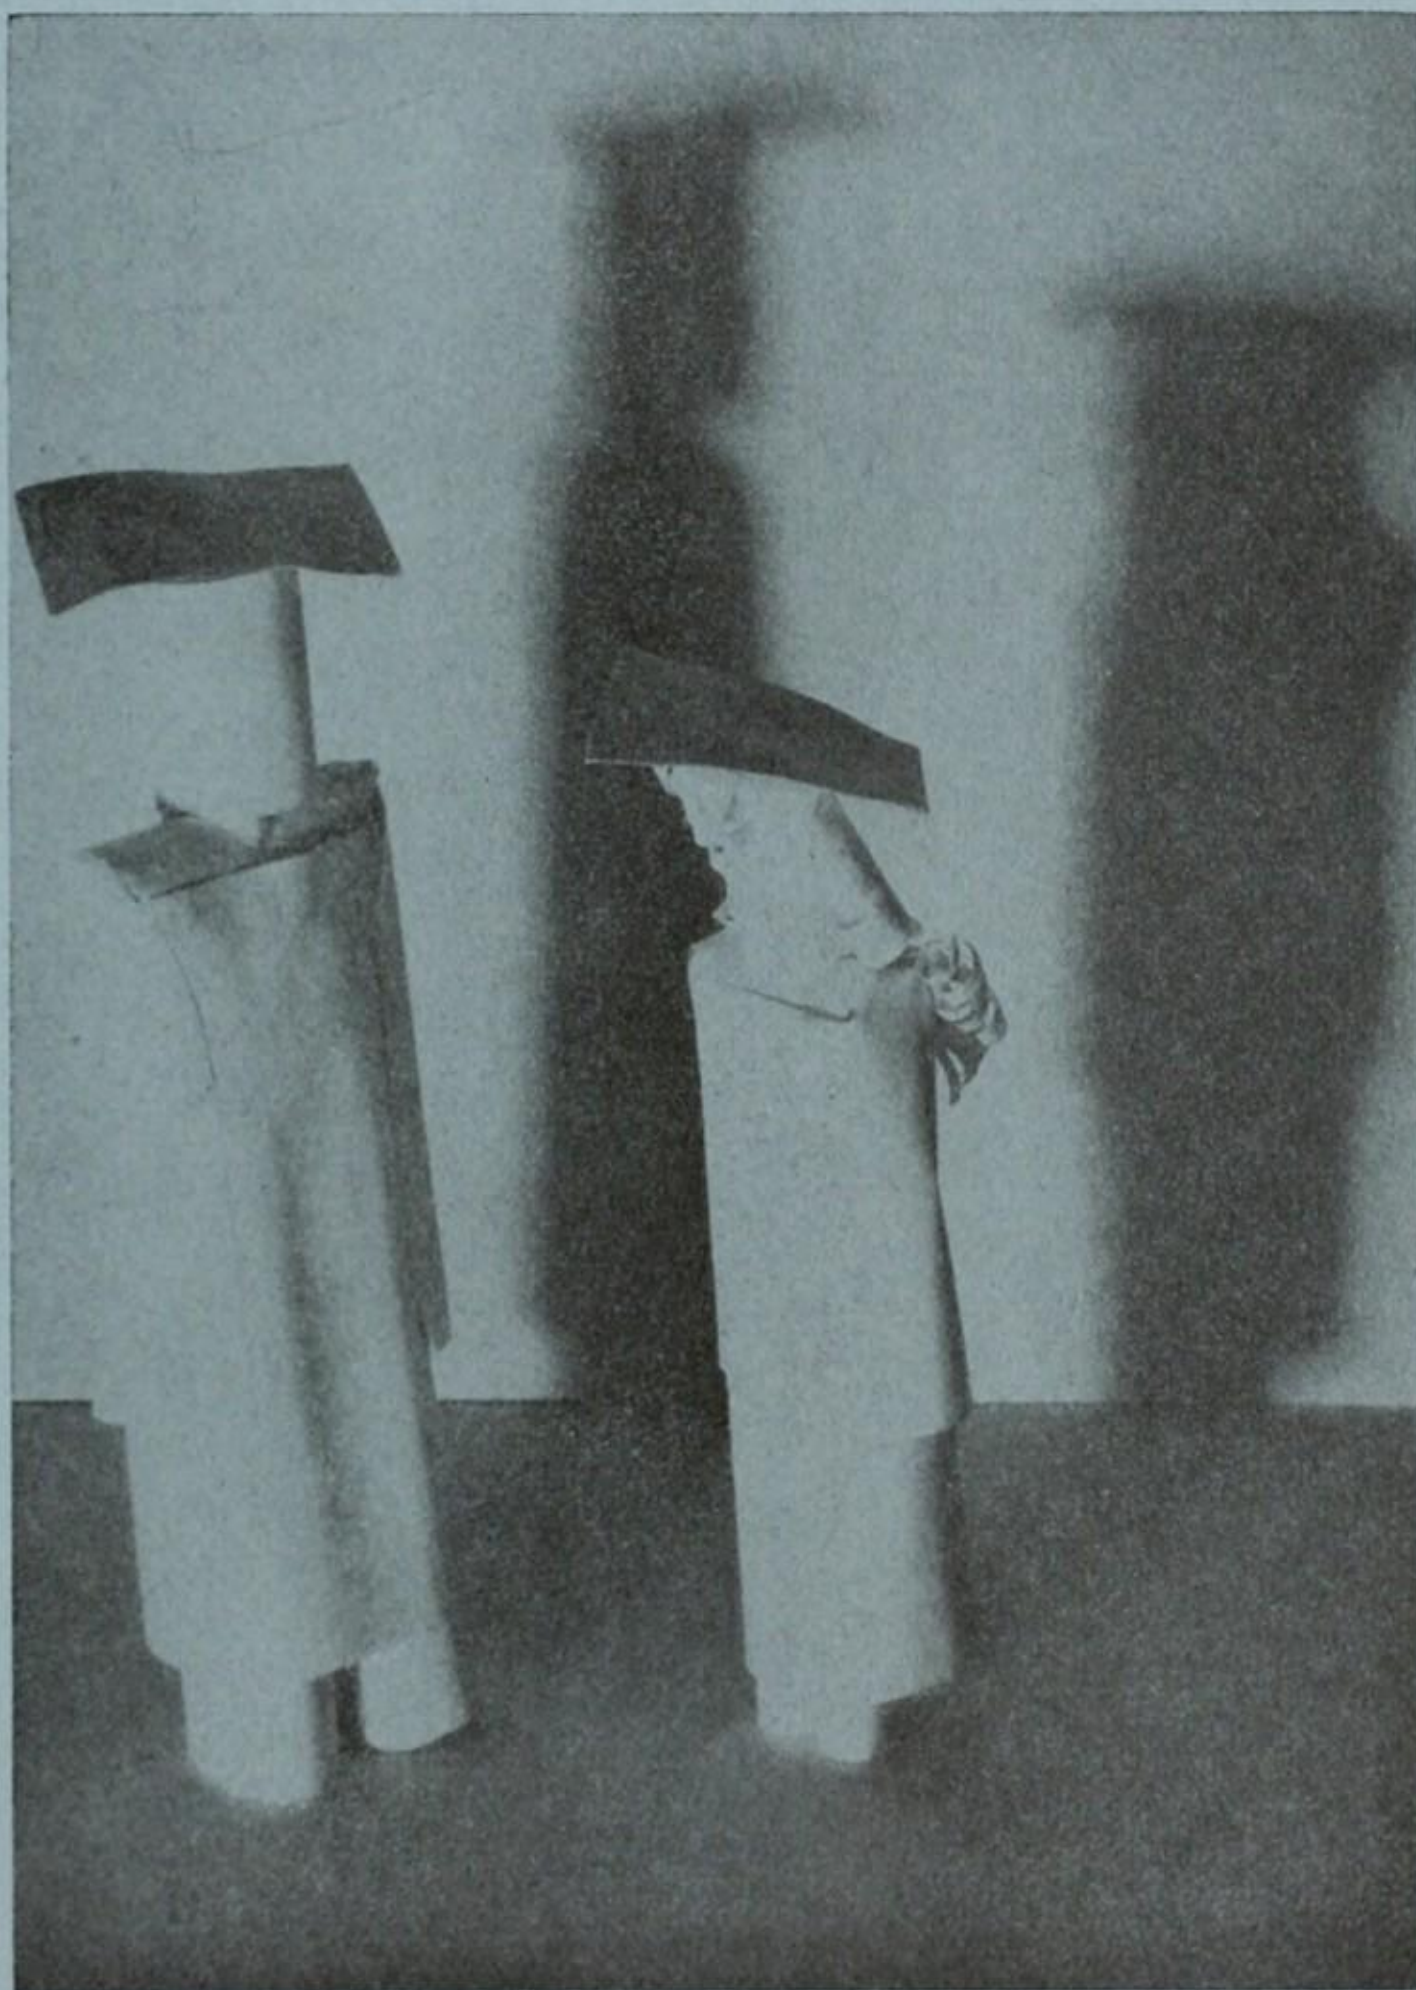

One social culture class is used as the student court.

This year the Student Judge is Bill Harris. The Sheriff is Don Schlosser.

DRAMA

The Drama Department, hopefully looking forward to use of the new Jordan auditorium next year, has kept up a full entertainment schedule. Jordan Homecoming, the all-school Christmas party, P.T.A., Founders' Day, and Back to School Night were special occasions for plays and skits. A regular series of one-acts was given for student entertainment during lunch and activity periods. An evening performance of one-acts included the drama, "Dark Wind," and two comedies, "Yours and Mine" and "Will You Marry Me?" Seen as leads in the spring play,

DRAMA

"Mother Is a Freshman," were Nancy Dollinger, Dick Haddaway, and Janet Dorr. The Marquettes, local drama club, headed by Earl Denos, closed their year's activities with an open house for Lindbergh speech classes. Jordan's Troupe 490 of the National Thespians, with Nancy Dollinger as president, climaxed the season with an impressive formal initiation ceremony in which a number of Jordan alumni took part.

BAND

The up and coming "Panther" Band broadened its base of operations this year to include the Santa Claus Lane Parade in Hollywood, in addition to performing at all home football games, basketball games, and playing for many assemblies. With a membership of 50, the balance and skill of the band have made steady progress in type and quality of music played. With the fine new equipment we have received and the building, the "Panther" Band looks forward to new heights of achievement for Jordan High.

In 1951 the junior class enjoyed an especially active and successful year. Under the direction of their sponsor, Miss Marion Zinn, the annual Junior-Senior Prom highlighted the contributions given by them.

A new departure was made this year. The juniors honored the seniors by sending invitations to the gala affair to all graduating students. This is the first time this had ever been done. This year's theme was "Paradise", and the event was held at Long Beach City College. The beautiful decorations and excellent program made this fine extravaganza one of the best ever.

Another tradition of the juniors is the selection of a group of girls who serve as guards of honor on graduation night. These feminine beauties adorned in lovely formals add the poise and color that beautifies the ceremony.

One of the most honored awards of the year is bestowed on the junior class in their representation at Boys and Girls State in Sacramento. Four students are chosen on the basis of leadership, scholarship, and responsibility.

In conclusion the contributions given by this year's class made it stand out as one of the top in the school's history.

PANTHER CUBS

During the fall semester the Sophomore class takes the name of Panther Cubs. All the sophomores have an opportunity to join by learning the school songs and yells and taking the Panther Cub Code of Conduct. The high spot of the semester was the Sophomore Assembly held during class time and providing free refreshments.

All year long the Sophomore Council met every two weeks. At these meetings they discussed the class affairs and especially how the class could participate in school affairs.

(BIBLE CLUB)

Under the fine leadership of Mrs. Mabel Peek, our Jordan Bible Club has had a very successful year. Keen interest has been shown in our weekly meetings.

Our membership has grown to over one hundred and thirty-five, and our average attendance has been around one hundred.

Officers are: Darlene Williams, president; Bob Davenport, vice president; Shirley Milligan, secretary; Tom Quick, treasurer.

LIBRARY PRACTICE

The class in library practice serves a two-fold purpose. Members of the group give important service to Jordan, and by fulfilling their many duties learn to use the library facilities with ease and efficiency. Activities of the group cover all steps in a library program, from getting new books ready for circulation, to charging books to patrons, checking in returned materials, and keeping the shelves in order. They file catalog cards and check library pass permits. One period, twice a month, the group meets as a class to discuss with the sponsor special library problems.

CLASS LIBRARIANS

★

Class librarians serve their class throughout the semester by notifying the librarian of coming class needs, helping to collect and keep track of special collections for class use; telling class about new materials; helping to control overdues; checking students' care of room; and helping library assistants to check books at door. Each semester the group plans a program and tea for the members. Second semester this year they sponsored a group of book reviews for interested readers.

CO-EDITORS

The Trailblazer staff rallied from the blow of losing their sponsor, Mr. Ellis to the navy as they made a firm resolve to produce a yearbook of which he would be proud. Mrs. Katheryn Offill assumed the sponsorship left vacant by the departure of Mr. Ellis. The two editors and their entire staff have worked long hours in the production of the 1951 Trailblazer. It is their hope that this year's annual will bring pleasure both now and in later years to their fellow Jordan students.

CAT'S PURR

Newspapers have been distributed to the student body on this campus since 1934. The first paper was called the Jordan Flimsy. Later, the name Cat's Purr was adopted and put into use on the masthead. This title was selected because of the connection with the school mascot, a panther.

Editions come out once each week on Thursdays. They contain news, editorials, features, pictures and sports in four full pages which is an overall coverage of the campus news.

Pictured above are members of the business staff, and page editors at work with their reporters, preparing an issue of the Cat's Purr.

ROTC

One hundred and forty-one students enrolled for Military Science in the 1950-51 term at Jordan. The Cadets participated in civic parades, furnished color guards for athletic events and military funerals. Rifle matches included the William Randolph Hearst and matches with other schools. A high score in the Sixth Army Rifle Match enabled the Rifle team to compete in the National ROTC Match. Social activities are sponsored, including an annual military ball.

As a result of last years Federal Inspection the Jordan ROTC was designated as an honor unit, which means that Jordan was rated within the top ten per cent of all ROTC units in the eleven Western states.

Three years of ROTC in high school takes the place of one of the two required years of ROTC for any student who wishes to attend any land grant college in the United States.

KATS KOVE

Shown on these pages are pictures of the only enterprise owned and operated by the student body of Jordan High School. All profits from the Kats Kove are funneled directly into the student body fund for the purpose of providing greater support to the activity program. Students who patronize the store are contributing directly to their own pleasure and enjoyment.

Sandwiches, soft drinks, hot dogs, candy, and school supplies are only a few of the items offered by the Kats Kove. Popcorn, milk, chilled apples, and light snacks have also made the student store a popular gathering place.

MISS GOFF

The purpose of the Girl's League, which is composed of all of the girls of the school, is to promote high ideals of womanhood; to encourage happiness, friendliness and democracy among the girls; and to develop loyalty to our school by active interest in the support of all school activities.

FUTURE TEACHERS OF AMERICA

Organization of the local chapter was formally completed in June, 1950. At the senior banquet Mr. John W. Wilson, principal, and Mrs. Gladys Potter, deputy superintendent of schools, presented the charter provided by the National Education Association. Mr. William Logan Stephens, superintendent of schools in Long Beach for twenty years prior to his death, was chosen as patron.

This club has the sole purpose of acquainting its members with opportunities in the teaching profession, and the requirements necessary in training for this vocation. Officers were: president—Merle Anderson; vice-president—Bob Dill; secretary—Carole O'Bergh; treasurer—Mayda Skinner; historian—Don Sundeen; sponsor—Mrs. Irmel O. Padgham.

TENNIS TEAM

One of the top teams of the southland prep tennis circles is represented in Jordan's team of this year. Captain Clyde Broughton with the aid of doubles partner, Sandy Hay inspired the team to a successful year, winning the majority of matches by a wide margin. First singles, Bob Weeks, and second singles, Ted Beard, advanced to high laurels, helping their team to another champion year.

"B" BASKETBALL

Jordan's "B" basketballers, after a mediocre practice schedule, ended with a fine league record. Coach O'Byrne's "Mighty Mites" finished second, losing only single games to Poly, Compton, and Excelsior. A deliberate offense, together with strong defense were the highlights of the team. "Rusty" Fairly and Darryl Roger's rebounding, together with Bob Garner's shooting, gave the fans much to yell about. Jerry Drennan's steady floor play earned for him the honorary captaincy. "Shorty" Harvey, and "Lefty" Hull also did a fine job for "dear old Jordan."

J. V. BASKETBALL

The Junior Varsity Basketball team was composed of Juniors and Sophomores. In the future the team will be for sophomore boys. This year's team was the best Jordan has ever had.

ROW 2: Manager Miles, Rowe, Easley, Forrester, Hurlbert, Martinson.

SWIMMING

Mr. Herbert De Vries, in his initial year as all water sports coach turned out a good aqua crew from all the ex-landlubbers Jordan used to have. In the Coast league the Panthers came in a not impressive 3rd place, but with all the under classmen now swimming, next year should be a lot better for a championship team. Our pool is considered one of the best, if not the best, in Southern California, and it should see many Jordan conquests in its waters in future years.

The swimming team is composed of "A's" or Varsity and "B's" or middle weights, and in those classifications the men can try for diving, backstroke, breast stroke, or free-style.

G.A.A.

This year was one to be remembered in the history of the Jordan G.A.A. Our new gymnasium was available. With these new facilities, it was possible to offer several new activities. They were modern dance, swimming, and badminton. The Ice-skating Club also became a part of G.A.A. Due to the increase in athletic activities, almost the entire G.A.A. point system was revised. We were also happy to welcome hockey back after a three-year absence. Sports cultivate many fine qualities and offer girls the chance to work together in teams as well as singly.
